About

The Perfect Statement

@theperfectstatement is young but feisty.

Fuelled by a passion for greater things, we seek to make the journey as memorable as the end product. We distinguish ourselves by making each shoot a unique experience for both you and the photographer.

Pose and smile? *Ditch that.*

Look here and say cheese? *Scratch that.*

Our time together is precious, and we enjoy making full use of it by engaging in meaningful conversations. By employing such a non-conventional approach, we are able capture emotions in their raw, and most genuine form.

One shoot, '*x*' smiles, and priceless memories.

Will you come on this journey with us in helping you create The Perfect Statement of your memories?

Introducing

the team

Clara Tan,
Lead

Clara is the founder of The Perfect Statement
and started TPS in 2016.

"I've been in the art scene since 2008 and my philosophy in photography is not just about taking photos but helping my clients know each other better. I know the photos taken will help them remember the beautiful memories they share.

I believe that my extroverted and energetic persona helps my clients feel comfortable in front of the camera. During a shoot, I channel all my energy to my surroundings, pumping up the atmosphere."

Lee Wei Yang,
Associate

Wei Yang has been shooting since 2016
and joined TPS in 2020.

"I grew to love photography as I was fascinated by how it could capture raw emotions and make stories out of these fleeting moments. As a visual storyteller, photography allows me to connect with my clients and capture their moments so they will be able to relive the fond memories they have experienced.

With a sociable personality, I am able to liven up the environment to help them feel at ease when posing for photos."
