# The Perfect Statement

---

**@thepperfectstatement** is *young but feisty.*

Fuelled by a passion for greater things, we seek to make the journey as memorable as the end product. We distinguish ourselves by making each shoot an unique experience for both you and the photographer.

Pose and smile? Ditch that.

Look here and say cheese? Ditch that.

Our time together is precious, and we enjoy making full use of it by engaging in meaningful conversations. By employing such a non-conventional approach, we are able capture emotions in their raw, and most genuine form.

One shoot, 'x' smiles, and priceless memories.

Will you come on this journey with us in helping you create The Perfect Statement of your memories?

Founder & Lead Photographer

**Clara is the founder of The Perfect Statement and started TPS in 2016.**

*"I've been in the art scene since 2008, and my philosophy in photography is not just about taking photos but also about helping my clients get to know each other better. I know the photos taken will help them remember the beautiful memories they share.*

*My extroverted and energetic personality helps my clients feel comfortable in front of the camera. During a shoot, I channel all my energy into the surroundings, creating a more exciting atmosphere."*

*I hope to be able to do the same for my clients in capturing these fond memories while feeling comfortable with my warm personality during the shoots."*

We had an amazing experience with The Perfect Statement for our **wedding photography**. From start to finish, **Clara** and her team were incredibly professional, organized, and attentive to every detail.

My partner and I are quite shy and not very comfortable in front of the camera, but Clara has such a warm and engaging presence that she immediately put us at ease. She guided us naturally through the poses, making everything feel effortless and genuine rather than forced. What we appreciated most was how patient and encouraging she was — it truly made a difference in helping us relax and enjoy the moment.

The entire experience felt smooth and stress-free, and we're so grateful for how beautifully she captured our special day. We couldn't have asked for a better photographer.

Highly recommend Clara and her team to any couple looking for a professional, talented, and supportive **wedding photographer** in Singapore! :)

Highly recommend **Weiyang** as your **wedding photographer**! He was professional, courteous, and friendly, making us feel at ease on our big day. Weiyang provided clear guidance and direction, and his experience really shone through. Despite the last-minute booking, he was amazing to work with. We're so grateful for the precious moments they captured - thank you, Weiyang, for making our special day even more unforgettable. 😊

**Charis** and team were amazing on our **wedding day**. They covered both our afternoon and night sessions, and we're so thankful for how many genuine moments they managed to capture. Looking back at the photos really brings us back to the day 😊

Thank you for the magnets too, such a thoughtful touch. We could really feel the heart and effort put into the work. Even with the long hours, everyone stayed positive and professional. Truly appreciate the hard work and would 100% recommend them to other couples ✨
