about

The Perfect Statement

@thepperfectstatement is young but feisty.

Fuelled by a passion for greater things, we seek to make the journey as memorable as the end product. We distinguish ourselves by making each shoot an unique experience for both you and the photographer.

Pose and smile? Ditch that.

Look here and say cheese? Ditch that.

Our time together is precious, and we enjoy making full use of it by engaging in meaningful conversations. By employing such a non-conventional approach, we are able capture emotions in their raw, and most genuine form.

One shoot, 'x' smiles, and priceless memories.

Will you come on this journey with us in helping you create The Perfect Statement of your memories?

Founder & Lead Photographer

Clara is the founder of The Perfect Statement and started TPS in 2016.

"I've been in the art scene since 2008, and my philosophy in photography is not just about taking photos but also about helping my clients get to know each other better. I know the photos taken will help them remember the beautiful memories they share.

My extroverted and energetic personality helps my clients feel comfortable in front of the camera. During a shoot, I channel all my energy into the surroundings, creating a more exciting atmosphere."

Wei Yang | Senior Associate

Joined TPS in 2021 as a trainee and officially as an associate in 2022.

"I grew to love photography as I was fascinated by how it could capture raw emotions and make stories out of these fleeting moments. As a visual storyteller, photography allows me to connect with my clients and capture their moments so they will be able to relive the fond memories they have experienced.

With a sociable personality, I am able to liven up the environment to help them feel at ease when posing for photos."

Charis | Senior Associate

Joined TPS in 2023 as a trainee and officially as an associate in 2024.

"Photography has always been something I've been meaning to explore because of the sentimentality behind it. Growing up, my dad used to take many pictures of me during my childhood days and these photographs serve as beautiful reminders, preserving these memories for me to remember even as life goes on.

I hope to be able to do the same for my clients in capturing these fond memories while feeling comfortable with my warm personality during the shoots."

Xinyi | Junior Associate

Joined TPS in 2022 as a trainee and officially as an associate in 2025.

"My journey into photography began with a fascination for visual storytelling. Each frame is an opportunity to capture genuine emotions and connections.

I strive to create a relaxed environment where clients feel at ease, allowing their authentic selves to shine. No matter the occasion, I aim to document the moments that matter most to you and your loved ones."

Events move fast but the moments that matter deserve to last.

We capture the in-between:
the chaos, the laughter, the joy, and even the beautiful mess.

When you look back at your photos, we hope you can relive the
moments and the nostalgia that come with them.
