about

The Perfect Statement

@thepperfectstatement is young but feisty.

Fuelled by a passion for greater things, we seek to make the journey as memorable as the end product. We distinguish ourselves by making each shoot an unique experience for both you and the photographer.

Pose and smile? Ditch that.

Look here and say cheese? Ditch that.

Our time together is precious, and we enjoy making full use of it by engaging in meaningful conversations. By employing such a non-conventional approach, we are able capture emotions in their raw, and most genuine form.

One shoot, 'x' smiles, and priceless memories.

Will you come on this journey with us in helping you create The Perfect Statement of your memories?

Founder & Lead Photographer

Clara is the founder of The Perfect Statement and started TPS in 2016.

"I've been in the art scene since 2008, and my philosophy in photography is not just about taking photos but also about helping my clients get to know each other better. I know the photos taken will help them remember the beautiful memories they share.

My extroverted and energetic personality helps my clients feel comfortable in front of the camera. During a shoot, I channel all my energy into the surroundings, creating a more exciting atmosphere."

introducing the team

Wei Yang | Senior Associate

Joined TPS in 2021 as a trainee and officially as an associate in 2022.

"I grew to love photography as I was fascinated by how it could capture raw emotions and make stories out of these fleeting moments. As a visual storyteller, photography allows me to connect with my clients and capture their moments so they will be able to relive the fond memories they have experienced.

With a sociable personality, I am able to liven up the environment to help them feel at ease when posing for photos."

Charis | Senior Associate

Joined TPS in 2023 as a trainee and officially as an associate in 2024.

"Growing up, my dad used to take many pictures of me during my childhood days and these photographs serve as beautiful reminders, preserving these memories for me to remember even as life goes on.

I hope to be able to do the same for my clients in capturing these fond memories while feeling comfortable with my warm personality during the shoots."

Xinyi | Junior Associate

Joined TPS in 2022 as a trainee and officially as an associate in 2025.

"My journey into photography began with a fascination for visual storytelling. Each frame is an opportunity to capture genuine emotions and connections.

I strive to create a relaxed environment where clients feel at ease, allowing their authentic selves to shine. No matter the occasion, I aim to document the moments that matter most to you and your loved ones."

We had a wonderful experience with Clara's photoshoot. Clara is very professional and extremely good with kids. She knows exactly how to engage them, make them feel comfortable, and capture natural smiles and expressions. The session was fun, well-organised, and stress-free for both kids and parents. Clara's patience and warm approach really stood out, and it clearly shows in the final photos. Highly recommended for anyone looking for a great kids photoshoot experience.

Wei yang was really patient and energetic while out shoot. Not an ounce of frustration or impatience on his face even my younger brother was having a little trouble posing. Really thankful to him

Charis captured the most beautiful photos of our family during our Singapore trip. She was warm, professional, incredibly detailed, and truly understanding of our needs. I was a little worried because our 18-month-old had so much energy that day, but Charis handled it with such patience and ease. She managed to capture so many genuine, beautiful expressions that we'll treasure forever. We will now have these special memories from Singapore framed in our home, and they mean so much to us.

Clara was also wonderful to work with. She coordinated everything seamlessly and created a WhatsApp group for easy communication between Charis and me.

Since I was arranging everything from abroad, I really appreciated how smooth and stress-free they made the entire process. Highly recommend! ❤️
